APPOINT TULSANS TO TAX MEETINGS

Committee of Bankers Go
to Capital; Gross Pro-
duction Rule Up

A committee composed of A. W.
Hurley, of the First National bank,
S. H. Graham, of the Exchange
National bank, and Clarence B.
Douglas, managing director of the
chamber of commerce, was appoint-
ed Wednesday by C. F. Hopkins,
vice-president of the chamber of
commerce, to attend the meeting in
Oklahoma City next Tuesday to dis-
cuss the gross production tax.

A meeting of the Mid-Continent
Oil & Gas association is to be held
here Monday to which the committee
has been invited, and which will be
devoted to a consideration of the
tax. This meeting will furnish con-
siderable data which the committee
will present at the Oklahoma City
meeting. It is probable that the as-
sociation will also appoint a com-
mittee of representative oil men to go
to Oklahoma City.

Oil men and other business men
and business interests in oil prod-
ucing counties assert that the present
workings of the gross production tax
are extremely unfair in that too
much of the tax leaves the county
in which it originates.

STOMACH ULCER GONE
SUFFERED 16 YEARS

Says his stomach is perfect now, and
his weight has increased.

"I had ulcers of the stomach so bad
that I was sent to the hospital. Treat-
ment there finally got me on my feet,
but in a few days I was down again.
You said you would guarantee Mike
Emulsion to cure a bad case of ulcers
of the stomach, but I tried it anyway. If
it does the work for others as it did for
me, you ought not to be backward about
any case of stomach ulcers. I have now
taken twice bottles and my stomach is
in perfect condition. I feel better and
weigh more than I have for 16 years, and
I have had stomach trouble all of that
time."—L. S. Walker, Greenleaf, Kan.

Thousands of people who have suffered
agonies from chronic stomach trouble in
its worst forms, have been promptly re-
lieved and soon restored to perfect health
by Mike Emulsion. A trial will show, and
a trial costs nothing.

Mike Emulsion is a pleasant, nutri-
tious food and a corrective medicine. It
restores healthy natural chewing action,
doing away with all need of pills and
physic. It promotes appetite and quickly
puts the digestive organs in shape to as-
similate food. As a builder of flesh and
strength, Mike Emulsion is strongly re-
commended to those who are thin, weak
and nervous, and is a powerful aid in
staying and repairing the effects of wait-
ing diseases.

This is the only solid emulsion made,
and so palatable that it is eaten with a
spoon like ice cream. Truly wonderful
for weak, sickly children.

No matter how severe your case, you
are urged to try Mike Emulsion under
this guarantee—Take six bottles home
with you, use it according to directions,
and if not satisfied with the results, your
money will be promptly refunded. Price

BIG EATERS GET
KIDNEY TROUBLE

Take Salts at First Sign of
Bladder Irritation or
Backache

This American men and women
must guard constantly against Kid-
ney trouble, because we eat too much
and all our food is rich. Our blood
is filled with uric acid which the kid-
neys filter out. They weaken
from overwork, become sluggish, the
eliminating tissues clog and the re-
sult is kidney trouble, bladder
weakness and a general decline in
health.

When your kidneys feel like lumps
of lead, your back hurts or the urine
is cloudy, full of sediment, or you
are obliged to seek relief two or
three times during the night, if you
suffer with sick headache or dizzy
or nervous spells, acid stomach, or you
have rheumatism when the weather
has had got from your pharmacist
about four ounces of Jad Salts, take
a tablespoonful in a glass of water
before breakfast for a few days and
your kidneys will then act fine. This
famous salts is made from the acid
of grapes and lemon juice, combined
with lithia, and has been used for
generations to flush and stimulate
clogged kidneys, to neutralize the
acids in the urine so it no longer is
a source of irritation, thus ending
bladder disorders.

Jad Salts is inexpensive, cannot
injure, makes a delightful efferves-
cent lithia-water beverage, and be-
long in every home, because nobody
can make a mistake by having a
good kidney flushing any time.—

Parents Get Judgment for \$1,000 for Death of Infant Daughter

Martha Cox and A. L. Cox, a three-
year-old girl, fatally injured by a
Sand Springs interurban car at
Parkview station December 15,
1918, were awarded damages of
\$1,000 in district court Wednes-
day in satisfaction of their \$1,000
claim against the railway com-
pany.

The child was struck by a street
car near her home and died three
days later. The parents claimed
the motorist did not use due
caution in operating his car in the
populated section of Parkview,
and that the injury and death of
the child was due to his carelessness.

ITCHING ECZEMA DRIED RIGHT UP WITH SULPHUR

Any breaking out of the skin, even
itching eczema, can be quickly
cured by applying a little Men-
tho-Sulphur, says a noted skin spe-
cialist. Because of its germ destroy-
ing properties, this sulphur prepara-
tion instantly brings case from skin
irritation, soothes and heals the ec-
zema right up and leaves the skin
clear and smooth.

It seldom fails to relieve the tor-
ment of itching eczema. Sufferers
from skin trouble should get a little
jar of Mentho-Sulphur from any
good druggist and use it like a cold
cream.—Adv.

STOMACH UPSET?

Get at the Real Cause—Take
Dr. Edwards' Olive Tablets

That's what thousands of stomach
sufferers are doing now. Instead of
taking tonics, or trying to patch up a
poor digestion, they are attacking the
real cause of the ailment—clogged
liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse
the liver in a soothing, healing way.
When the liver and bowels are per-
forming their natural functions, away
goes indigestion and stomach troubles.

Have you a bad taste, coated
tongue, poor appetite, a lazy, don't-
care feeling, no ambition or energy,
trouble with undigested foods? Take
Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a
purely vegetable compound mixed with
olive oil. You will know them by their
olive color. They do the work without
gripping, cramps or pain.

Take one or two at bedtime for quick
relief. Eat what you like. 15c and 30c.

Sure Way to Get Rid of Dandruff

There is one sure way that never
fails to remove dandruff completely
and that is to dissolve it. This de-
stroys it entirely. To do this, just
get about four ounces of plain, ordi-
nary liquid arvon; apply it at night
when retiring; use enough to
moisten the scalp and rub it in
gently with the finger tips.

By morning, most if not all of
your dandruff will be gone, and
three or four more applications will
completely dissolve and entirely de-
stroy every single sign and trace of
it, no matter how much dandruff
you may have.

You will find, too, that all itching
and digging of the scalp will stop
instantly, and your hair will be
fluffy, lustrous, glossy, silky and
soft, and look and feel a hundred
times better.

You can get liquid arvon at any
drug store. It is inexpensive, and
four ounces is all you will need.
This simple remedy has never been
known to fail.—Adv.
